THEATER POPCORN KIT / KPK400

The THEATER POPCORN KIT from Nostalgia Electrics™ is a fun and easy way to make scrumptious, theater-style popcorn at home. This kit works great with Nostalgia Electrics™ brand of hot air or kettle popcorn makers. Kit includes:

- One Pound Popping Corn
- 1 – 10 oz. Bottle Butter Flavored Oil (NEVER put oil into hot air poppers)
- 1 – 9 oz. Bottle Ranch Seasoning
- 1 – 9 oz. Bottle White Cheddar Seasoning
- 1 – 9 oz. Bottle Nacho Cheddar Seasoning

HOT AIR POPPING:

1. Following the instructions included with your hot air popcorn maker, measure the indicated amount of popcorn kernels.
2. Pop raw kernels in your hot air popcorn maker. **NEVER put oil into hot air poppers.**
3. Use the butter flavored oil as a topping, just like melted butter. Sprinkle 2 to 4 tbsp. over 4 quarts of freshly popped corn. Shake well.
4. Sprinkle with seasoning if desired. Shake to distribute evenly over popcorn.

KETTLE POPPING:

1. Following the instructions included with your kettle popcorn maker, measure the indicated amount of oil and popcorn kernels.
2. Pop raw kernels in the Butter Flavored Oil.
3. Sprinkle with seasoning if desired. Shake to distribute evenly over popcorn.

HELPFUL TIPS

- NEVER put oil into hot air popcorn makers. Kernels may be cooked in the butter flavored oil in a kettle popcorn maker ONLY.
- The shelf life is approximately 18 months if the product is stored between 55° – 70° F and maximum relative humidity of 70%.
